Patty, I'm glad I met you this year. The year was especially data. Physics from judging the data. Good luck in college. Love, Patti

ex grandma-in-law? People in your book. I'm so happy for you that you are going to the naval academy. It's been a great four years, especially with all those things we did in French. So, if you ever become famous or well-known, make sure you contact me because we just have to talk about and believe all those trips we took to China, Hawaii, Asia, France, Iceland, Japan, Africa, Bahamas, and South America. Didn't we have a great time there? Someday we'll have to go back to all those countries and say hello to our friends! Good luck with everything! You a wonderful person and Patti, I'm glad to have known you. Keep in touch. Love, Patti

To a cute cadet and a good naval officer hopefully! Love, Patti

Patty, I'm really glad that you were in V-5 with me. Good luck in Annapolis.

PS. I hope you learn to push people around. You have a lot to learn.

Hi, It's been nice to see you. Love, Patti

I have to go to a concert tonight. I was playing with the orchestra but we didn't make it. I'm sorry. Love, Patti

Patty.

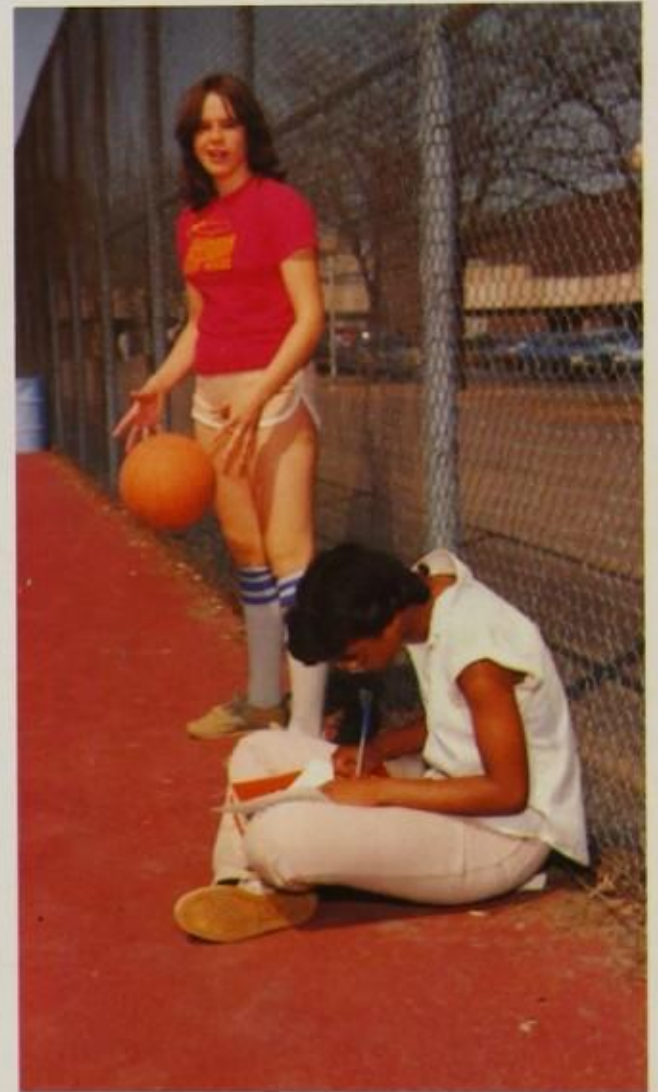

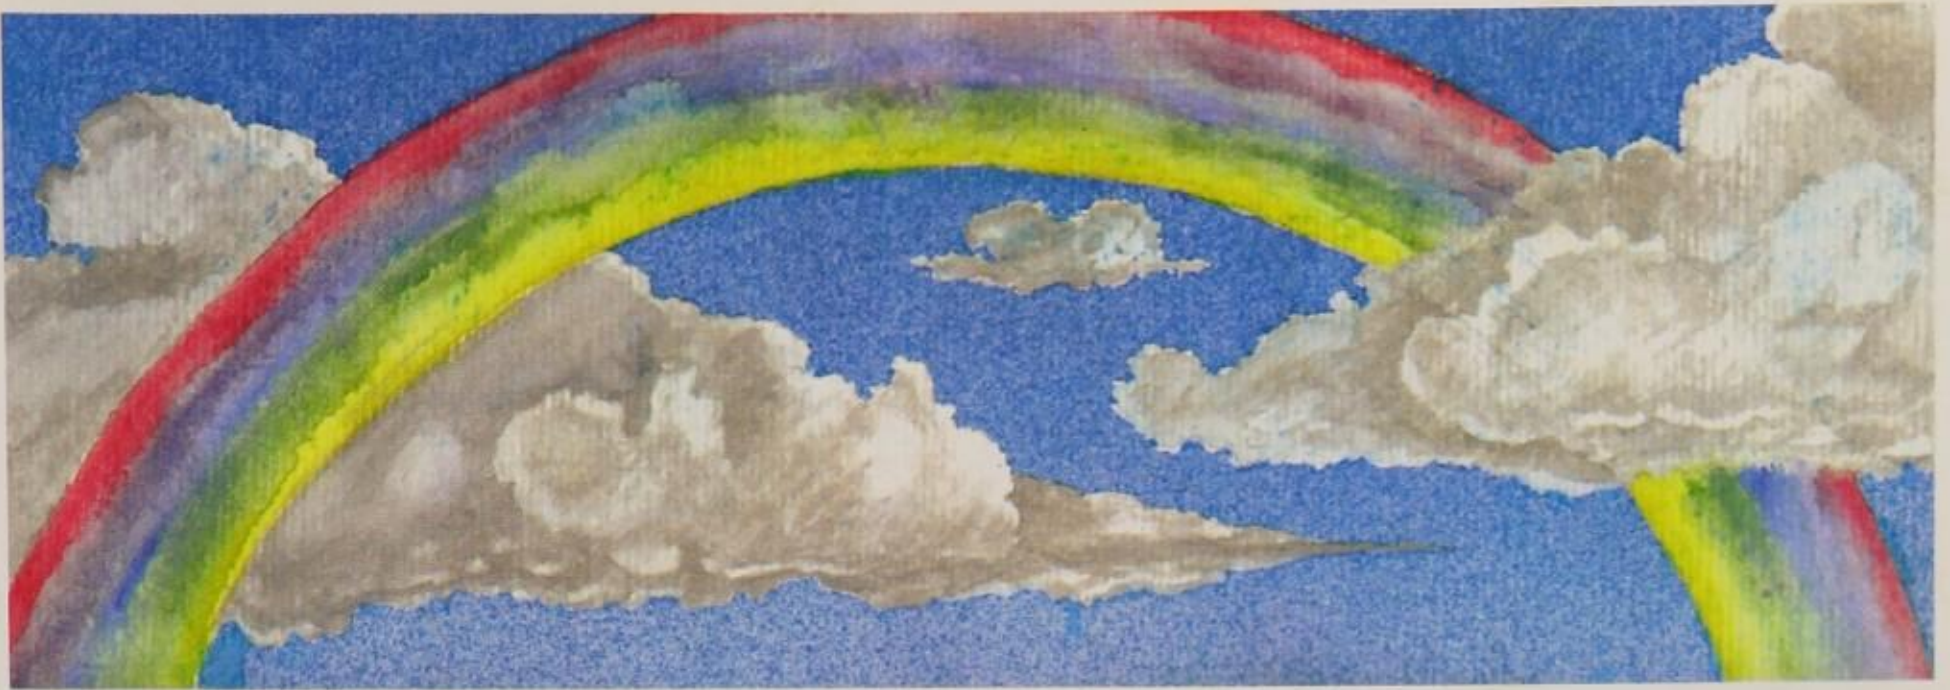

Thank you for your vote (oh, what
the Student Council could have
seen). It has been a joy sitting
next to you in homeroom these past
two years. You're a beautiful person,
and ^{oops!} ~~very~~ very intelligent if I may add.
I wish you all the best things
life has to offer. Good luck @
Annapolis; although, (transition word)
you won't need it. Come visit me
(Howard Univ - Wash. D.C.) whenever you're in
the vicinity. I'll be expecting you.

This year the Senior Class would like to dedicate their yearbook section to a man who has shared his time, patience, understanding and, most importantly, his love with the students of Liverpool High School.

The man is Frank Sofia and we, the Class of '82, would like to tell him of our gratitude, and to let him know that nothing he does ever goes unappreciated.

Thank you, "S." We love ya!

Thanks "S"!

Class History

We began our freshman year as any class before us, with the same feelings of anticipation and hope. We were then, as we are now, a class of many individuals that somehow pulled it all together to come out ahead. We spent our year in "the outhouse" (the name we gave affectionately to the Annex) forming new friendships and getting acquainted with high school life. The pep rally, parade, and football game at our first Homecoming started off the year with style. Our "Roast the Rams" float caught third place in the competition. And our first attempt at fund raising was a smashing success when we reached our goal for the candle sales. Back then, 1982 and all it brought with it seemed miles away.

We survived our first year and now found ourselves up in the main building with the title of "sophomore." After finally learning our way around, we were accepted into the flow of upperclassmen. That year held quite a few surprises. The annual bonfire mysteriously started during the day, and our talent as float makers came shining through at Homecoming as we took first place with our "Cookie monster." Our class spirit was also at a high when we took first at the pep rally. As our second year drew to a close, we had some high expectations for the upcoming year.

And we weren't disappointed! Our junior year brought with it many good times but also a few disappointments. All of our hard work on our float, the whale, was ruined. It rained on Homecoming day! But even with a soggy float we managed to clinch first place again. We were soaked to the bone, but our spirit never faltered. The football team made it to the Section III championships and took Liverpool to the Carrier Dome. Along with our junior year came SAT's, a lot of studying, and finally our junior prom. It was then that we realized that these really are "The Best of Times."

The year that every student looks forward to is finally upon us. We are seniors! Our magazine sales topped all previous records, and we know that the best is yet to come. We are anxiously awaiting the arrival of the Senior Ski Weekend. (Mr. Hiller decided to stick it out for one more year!) We have the senior ball to look forward to,

and finally, graduation!!

The day will be filled with excitement, anticipation, but also some sadness. We will all be going our own separate ways, but somehow we know that the friends we've made in high school will always be with us. For the times we've shared as a part of Liverpool High School will forever be in our hearts and memories.

Dear Patty,

Seeing you actively participated in many activities and demonstrated your leadership, diligence, enthusiasm, I know you will be a very successful person. Going to Naval Academy would be an experience for you. You will survive!!

Remember Life perhaps is a ship; it has a lengthy and exhausted navigation, but "will" is one's rudder; the direction of the journey will largely depend on how steady the rudder is.

In the garden of life you play a dual

chain of life you a striped link. Getting back

beside the point. Have a very nice time at ~~summer~~ ^{camp}

 This has been a

 I'm really glad you were

AUTOGRAPHS

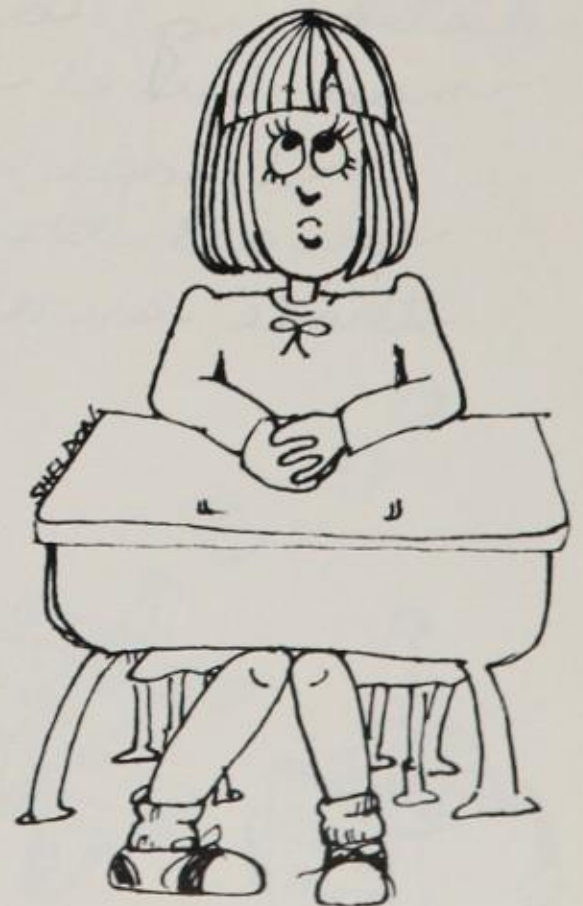

Patty,

Its been really nice knowing you this (past) year. I am very happy for you and your appointment to the U.S. Naval Academy. Your going to have a tough four years, but I know you will hang in there. (I wish I could go to a school with a girl boy ratio of 100:1). Well it looks like I can finish off the old autograph by saying the classic lines ~~get a husband~~ "get a husband", etc.. I think I'll just settle for a "good luck" and "stay in touch".

Sincerely,
Richard
Newton

With God all things are possible.

MORE AUTOGRAPHS...

Patty,
 It was great being friends with you this year! Thanks for putting up with all my little antics and ravings about Pete! I don't know how I would have gotten along without you this year. Have a great time at Annapolis! I send up some extra midshipmen to me, please!! Every time I see a ship or an airplane I'll think of you and how great you helped make my senior year. Best of luck, always, you deserve the best.

Always,
 Jill Rimeri
 H

"Paul"

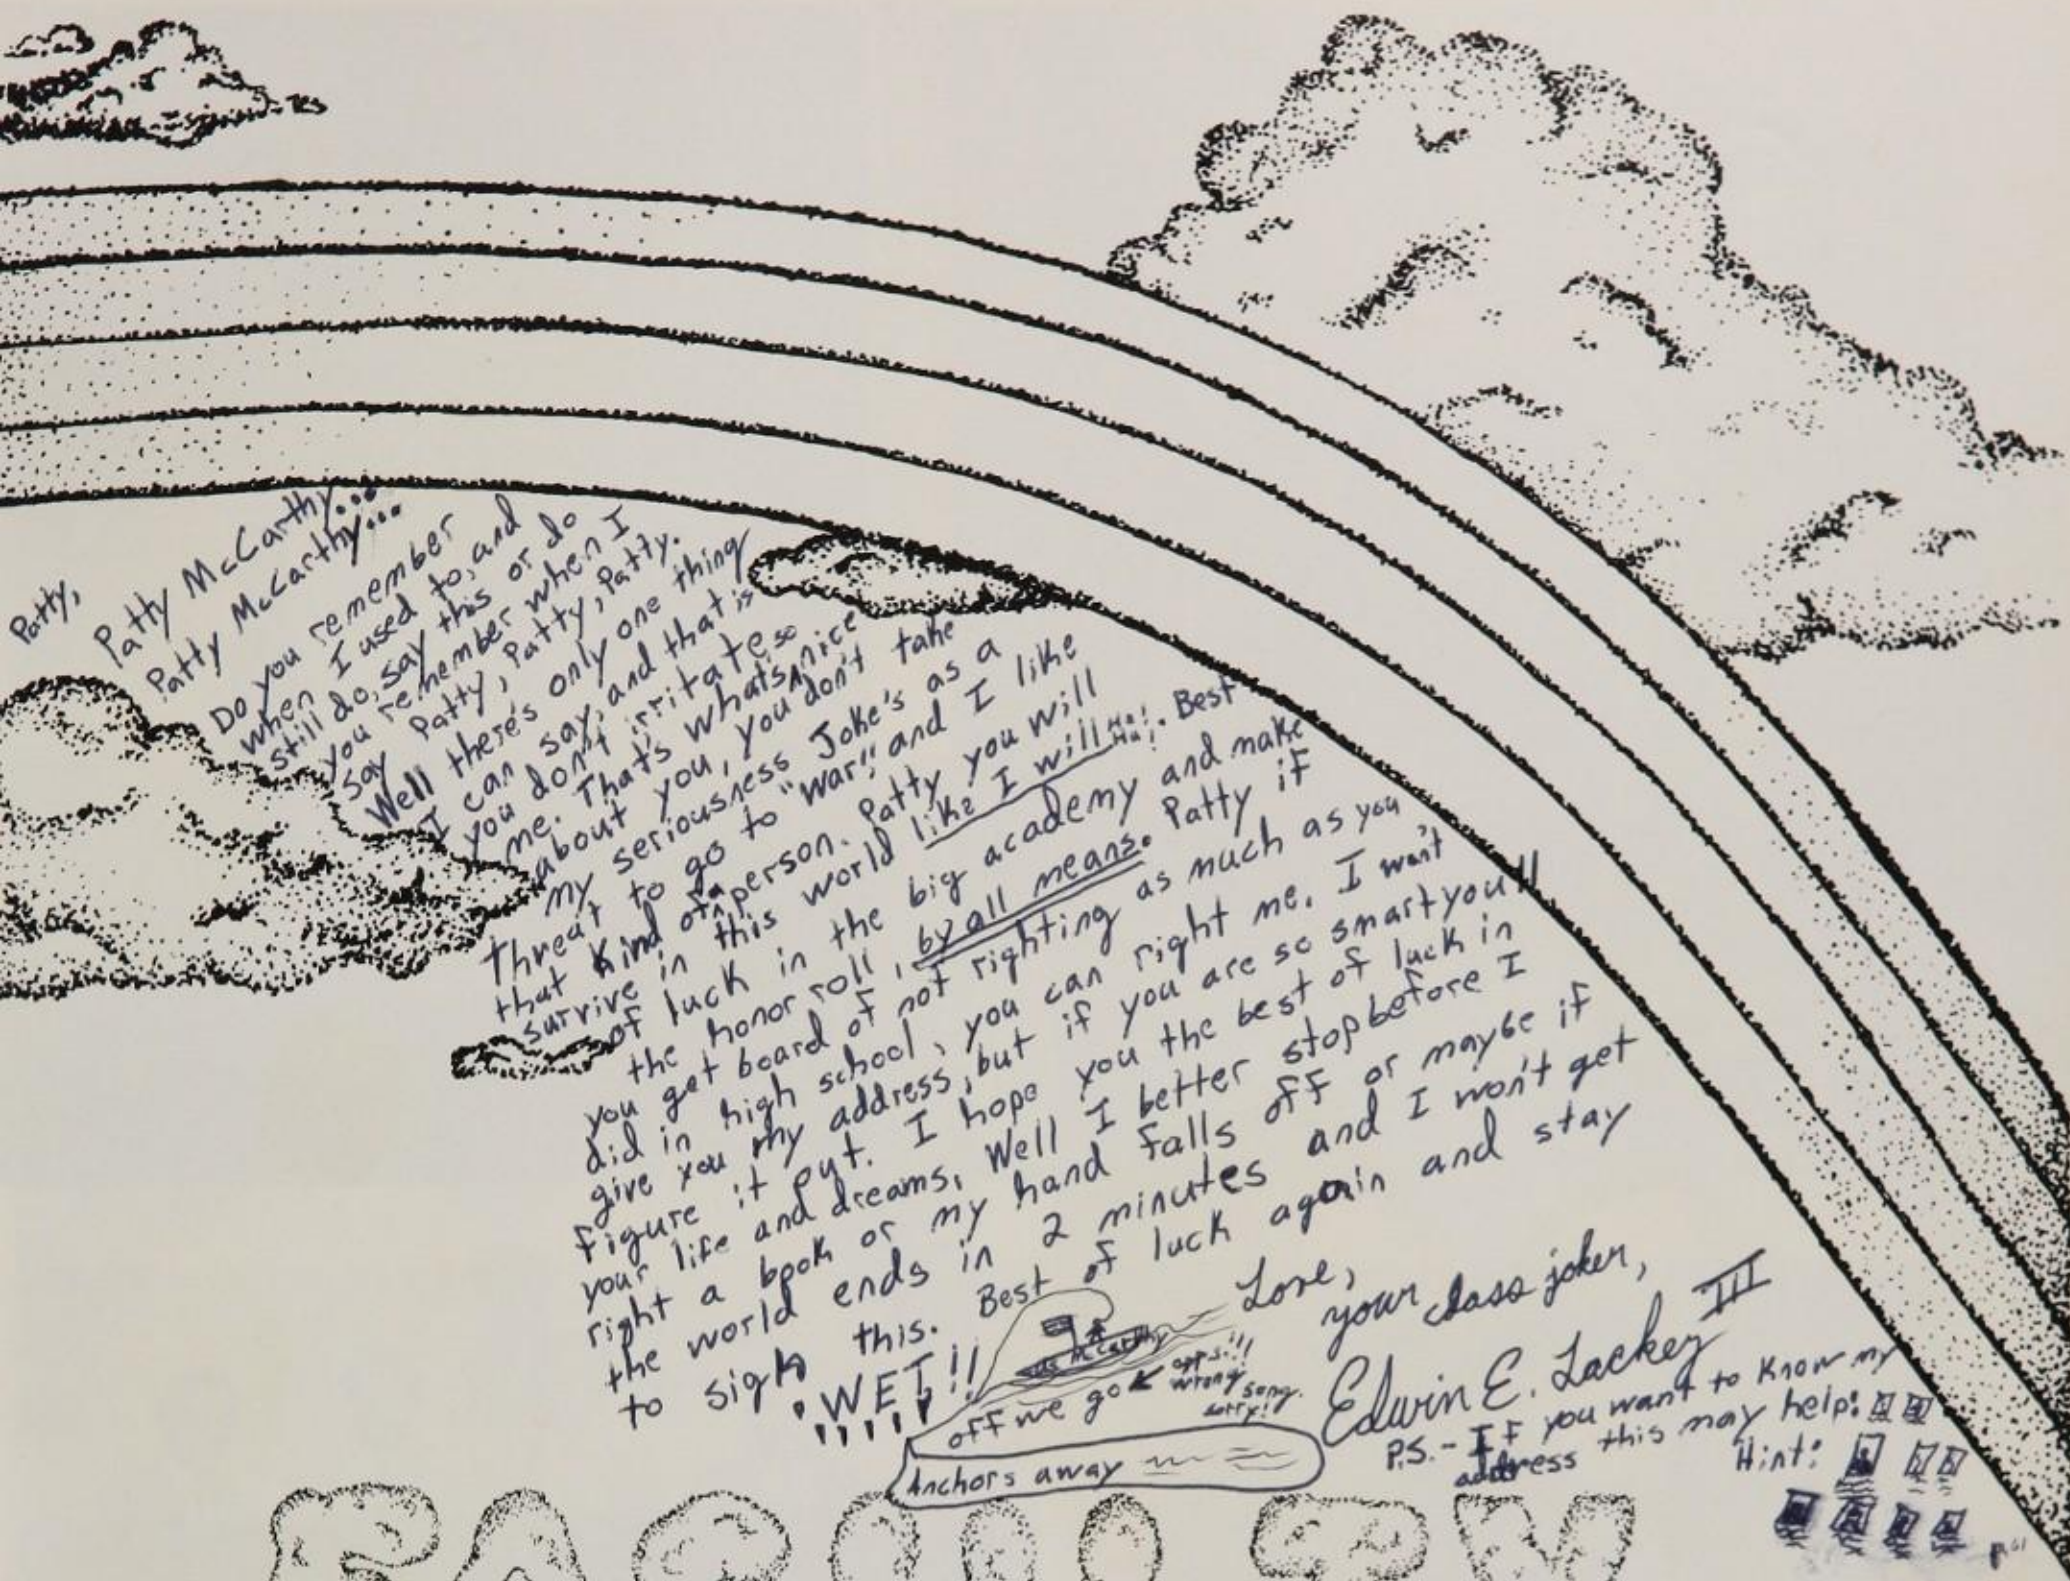

Patty, (kuno)
 It's been great knowing you this year. I was even jealous of you at one point. I thought you were stealing Dad (Rick) away from me and I was mad, but I learned different.
 I hope you fun at Annapolis, and I wish you all the luck. We know you'll whip all those swabies in to shape.
 Good luck in your future.

a friend always

Patty,
 It's been great knowing you. Have a great time at Annapolis!

Patty,
Patty McCarthy...
Patty McCarthy...

Do you remember when I used to, and still do, say this or do you remember when I say Patty, Patty, Patty. Well there's only one thing I can say, and that is about you, you don't take my seriousness. Joke's as a threat to go to "war" and I like that kind of person. Patty you will survive in this world like I will. Best of luck in the big academy and make you get board of not righting as much as you did in high school, but if you are so smart you'll give me my address, Well I better stop before I figure it out. I hope you the best of luck in your life and dreams. Well I better stop before I right a book or my hand falls off or maybe if the world ends in 2 minutes and I won't get to sign this. Best of luck again and stay WET!!

off we go
anchors away

Matmen — State Ranked

For the past four years the Varsity Wrestling team has earned the prestigious honors of being state ranked.

Liverpool wrestling has developed into one of the finest programs in Section 3 as well as ranking among the best teams in New York State.

This year the Varsity finished their regular season 9-4-0 losing only to the state powers, Fulton No. 1, Baldwinsville No. 5, Canastota No. 8, and New Hartford No. 12.

The tournament competition was one of the Warriors' highlights this year. The wrestlers finished second at North Syracuse December 19 in a field of 16 teams, and at Spencerport — December 27 in a field of 22 teams. On January 9, the Warriors captured the team title at Central Square with a 16 team field.

The season in all proved to be successful, both for team honors and for individual Sectional Place finishers.

The JV finished 12-2-0 and highlighted their season by defeating Baldwinsville, who had not been beaten in the League Competition in the last 10 years.

The wrestlers and the coaching staff wish to express their appreciation for the fine support that the student body and wrestling fans showed this year. This support most certainly has added to the continued success of the Liverpool Wrestling Program.

Patty,
 Well what can I say.
 When I met you in summer
 school (Drivers Ed), I really didn't
 realize how nice you ^{were} are. I think
 we turned out to be pretty good
 friends. Don't you? We had
 some fun times in leisure, but
 then again we had some pretty dead
 leisure too. ~~Gym~~ Gym was a real joke! Softball
 turned into wiffleball for us. Oh, well, maybe we'll
 get to play some Softball. I want to wish you the
 best of luck in your TRAINING! Have fun! (name)
